

ARCHEOLOGIE MAGAZINE *and* ARCHEOLOGIEONLINE.NL

Mediacard 2019

ARCHEOLOGIE MAGAZINE

Archeologie Magazine is the only Dutch journal on archaeology, culture, history and travel. Each edition provides the latest worldwide excavations, new research, and the most beautiful archaeological exhibits.

Each edition also has a theme, for which we cooperate with museums, archaeological services of cities or regions, governments and more. On the one hand, this allows Archaeology Magazine to offer their readers fine scoops, and on the other hand various archaeological services are offered a communication tool directed towards the interested public.
